

Dear Cinque Ports Club Member,

We hope you are all healthy and well in these trying times.

There have been many challenges this year which we have endeavoured to overcome.

During the first lockdown, before we could reopen we had to make many changes to make The Club safe and implement a number of new rules. I must commend the staff on how well they adapted. All the staff completed an online course designed for returning to work during COVID-19. Please see below some of the changes made:

- We have spaced our tables to allow for social distancing and reduced the number of chairs.
- Screens have been installed at the bar to protect staff and members alike.
- We have the NHS test and trace QR scan code available and we also back this up with our own record of visitors which we hold for 21 days.
- One way system around the venue.
- There is now compulsory table service and face coverings for staff and customers.
- We have also introduced food which has been extremely popular.

With Sky Sports and BT Sports on offer we have attracted many new members, who have enjoyed plenty of room in the hall to social distance and watch events on the big screen.

And now for the most important announcement:

We are reopening!

As we now find ourselves in tier 2, we must ensure that we operating with the additional hospitality sector guidelines, therefore from **Wednesday**, we have decided to introduce our exciting new menu which will offer our members substantial meals. Only then can we serve you alcohol. We hope you support us as we try to overcome all the obstacles to bring you the best we can under the circumstances.

As you all know the club is run by a committee who work really hard behind the scenes.

This year has been extremely hard indeed and there have been a few changes as some committee members have had to stand down for many different reasons, but we are delighted to introduce the following new officers:

Natalie Russell – Secretary

Paula Hollands – Treasurer

We are now a small committee and are looking for new members who are interested in joining us.

If you feel you have something to offer, we would love to hear from you. Due to the pandemic we have been unable to have an AGM which is historically when new committee members are voted in. This year we have had to co-opt new committee members, but we still need more!!

Finally, the Staff and the committee look forward to welcoming you all back to the club.
