

Dear Cinque Ports Club Member,

We hope you are all safe and well.

As we are slowly eased out of lockdown and restrictions are lifting we feel it's time for an update. Whilst restrictions are being eased we have decided not to open for business until Wednesday 19th May. We will have the new QR code for track and trace which will need to be scanned by all who enter the club. This is now a legal requirement. We will be backing this up with our own signing in as we have done since last July.

As membership is due in May we will be opening the beer garden so members can renew their membership. The front will still be locked as we are only allowed outside. Please enter via the carpark.

We will open on the following days/hours

Saturday 1st May 11am-3pm

Saturday 8th May 11am-3pm

Saturday 15th May 11am-3pm

We have been making some changes this lockdown which we hope you will like.

In December we opened and ran as a restaurant in line with the government's guidelines of serving alcohol alongside a substantial meal and the feedback was very positive. In view of the popularity of this we have decided to continue with our menu including a weekly specials board when we reopen in May.

Kitchen opening times

Friday 6pm-8pm

Saturday 10.30am-8pm

Sunday 12noon-6pm

We will be offering a breakfast menu on Saturday mornings.

On Sundays we will be serving roast dinner!!

We are also creating a beer garden so you can enjoy a drink when the sun is shining. We hope you will come and have a look at what we've done.

We have started to book live music again from Saturday 26th June with RED covers band performing on this date, please keep an eye on our website which we will continue to update with events information.

The staff and the Committee look forward to welcome you all back through the doors.

Take care and above all stay safe!

Kind Regards,

Your Committee
