

THE Cinque Ports CLUB

Dear Cinque Ports Club Member,

We started out this year in lockdown which was tough for everybody. Behind the scenes the committee and staff voluntarily helped with getting the club ready for when we could finally open our doors again. The staff worked their socks off with table service, given the size of the club it made it hardwork for them!!

We invested a little bit of money and with a lot of help from the committee and some of our members we managed to create an outside seating area for the summer. Despite the dismal weather this has had good feedback.

We have been astounded with the support from our members as we started our live music with local band R.E.D. This was quickly followed by the Euros which was very exciting as England made it to the final. We had some amazing volunteers to help us with table service for the semi-finals and the final. We thank you so much.

The country then went on to hit a national spike in a rise of Covid-19 cases and we didn't escape unscathed. We regrettably had to shut our doors for 10 days until we could have the club professionally cleaned. As restrictions were lifted, we have decided to keep the screens on the bar to help protect the staff and members. The darts leagues have now resumed play and the WI have started their monthly meetings. It's so good to have you all back.

Our kitchen has been open Friday evenings and Sundays. This has been thanks to our Treasurer and Secretary who have worked voluntarily to make this happen. Thank you to our regulars who have supported the kitchen. Our Sunday roasts have proved to be a hit as have Friday night specials like beer battered cod and chips. If you know anyone looking for part time work cooking, please send them our way. We have decided to close the kitchen until February to give our volunteers a much needed rest!

Here are our Christmas opening hours, the club will be closed from the 26th to the 29th December to allow our amazing staff to have a well-deserved three day break after all their hard work during the year.
